We have to stay strong while we lead the survivors out of here.

Do you suppose ...
...we can really deliver everyone to Haneda Airport safely?
Unless we surrender Aoi to the government today...
...they'll bomb Tokyo.

I couldn't bear to watch anyone else die.
I...
I'm leading their bombers over to Shinjuku and stuff!
We've totally got this covered, Taeko!
I'm terrified.
But when I think of the battle to come...
There's not quite as much as we'd hoped for, since we had to evacuate the shelter a day early.
